

TWO BUSINESSES WERE BORN THE SAME YEAR.

B 15 IN THE END, THE SECOND BUSINESS CARRIES:

1. memory and late counts
2. stock and sales that don't match
3. everyone improvises
4. accepts stories that blame it all on him
5. does not understand why its costs keep rising
6. copies recipes without checking where they come from
7. reacts once the consequence has arrived
8. decides with old maps
9. rebuilds the data every time
10. only checks its stability when cash gets tight
11. loses focus, profit and cooperation
12. pays dearly for what was already solved
13. mixes household money with business money
14. does not even take what was free
15. has no one to ask who has seen it before
